** Denotes absence of board member for meeting*

The Captains meeting was brought to order by Aaron Mills.

First topic addressed by the President was the 3 choices we would have for setting up the teams in each division. They were not to be voted on at this time. We were to write them down and consider them until time in the meeting for this to be addressed and voted on.

Aaron handed out treasurer's report, Jessica was unable to attend meeting. The report was reviewed and voted to be accepted as it stands.

Ted Gay gave ADO report and he announced he had Double Eagles if anyone would like one.

Old Business – Proposals for substitutes, New Rules etc. must be made in writing and submitted to the board for review and discussion at our next meeting, which will be Tuesday, January 13, 2009. The subject of the Brackets for the playoffs at the end of our Fall 2008 season had some pro's and con's. The way they were divided was unfair to some of our Sponsoring Bars. Next meeting under new business example proposals will be presented to the league.

Scorer – not present. Tim Pirtle was not present. Very important for the league to have a scorer that produces all items necessary for the league and TEAMS to know their standings and positions in their division. We decided to have a representative speak with Tim to see if he has the time to continue in this position. If he does not David Schuyler has volunteered for that position and he will take this responsibility over until our next meeting when it will be voted on, also Vice President position will have to be filled temporarily until the next elections of officers.

New Business – a question as to why security (or was it necessary) was wearing their guns in the parking lot at the last banquet. It was noted that off duty officers, in uniform, are required to wear their gun. There was no threat to the members. This was for security purposes and the VFW obtained them not the league. Aiken/Augusta shoot out will be held Saturday 1:00 to 2:00 Social hour, 11:00 set up and matches to begin at 3:00.

It was decided that James Kirkland would approach Tim Pirtle concerning his position of scorer and report back to the Board so we could have David take over until the league could vote on his replacement.

Divisions – the three choices were 5-5-6, 6-4-6 and 6-5-5. Vote was taken and 6-5-5 was the winner.

Keith made the announcement that with 6-5-5 being the divisions that "B" Division will be noted as the TRAVEL Division. Ha Ha.

Business was concluded and we were adjourned. Please not that since there is such a long break until the next meeting I will send these minutes out again so they will be fresh in everyone's minds. Marty

January 12, 2009 – I am resending the minutes – please read them and be prepared if you are presenting any proposals (in writing) for the 13th meeting. Thank you - Marty
