### **Old Business**

Heidi Channel made a proposal at the last meeting to change the format on the score sheet by changing a singles 501 to a doubles 501. Vote was unanimous and will be implemented next season.

Reviewed the idea of the Jim Dickinson award for most improved and still need suggestions on how to determine who was most improved.

David Schuyler had some proposals that were not discussed at the meeting because we did not have them but they had been submitted at the prior meeting. These proposals will need to be voted on at the next meeting:

1. Limit the playoffs/city tournament to the top 50% of each division.
2. Scorer's \$150 will cover all expenses
3. Winning Captain's will turn in the score sheet rather than the home team captain.
4. Give pins for High Ins and High Outs

## **New Business**

Tracie Hughes presented the proposals for the banquet. Copies of the proposals are attached. Certificates to be donated for the Charity Raffle will be handed out at the next meeting for the Captains to take and return the day of the banquet. She also needs for teams with plaques to turn them in at the next meeting.

David Schuyler stated that we need to order more 2<sup>nd</sup> place pins and still need to look into getting a 3 part score sheet.

Dave Channel brought up the issue about the Double D's not having their money turned but still getting all of their points. Aaron Mills stated that he had been working with the team on the situation. They turned their money into a bartender at the Cork & Bull instead of putting it in the box and since it's been closed, it's been hard to determine what happened to the money. Aaron is still trying to get with the owner of the Cork & Bull and see what he can find out. It was suggested that we need to come up with a way to prevent this from happening in future seasons.

Meeting was adjourned.
