New Business:

A suggestion of setting a flat amount EX: \$200.00 to be added to the blind draw on banquet day was discussed. Please talk to your team members and see if this would interest them. It was also suggested to put \$200.00 per season in a play off fund so that at the end of our seasons we could have a pot of \$600.00 and have a play off then.

Terry Johnson discussed the point values of the doubles matches of possibly changing them to 1 point a piece instead of 2. He was asked to write it up as a proposal explaining his idea to be presented to the captains at our next meeting.

David discussed the Garden City Classic – last year we sponsored a board for \$600.00. This year he would like for us to provide \$2,000.00 or \$4,000.00 towards the tournament. We asked him to write it up so we could review this at next meeting.
